**PETITION TO REVIVE AN UNINTENTIONALLY ABANDONED
APPLICATION UNDER 37 CFR 1.137(b)**

Dear Sir/Madam:

FACTUAL BACKGROUND

- 1) A Notice of Allowance and Issue Fee Due was mailed by the U.S. Patent and Trademark Office on July 30, 2003, with a due date for payment of the Issue Fee identified on the Notice of Allowance as October 30, 2003. There was a note on the Notice of Allowability that corrected drawings were to be submitted.
- 2) Attorney for Applicant signed the transmittal documents for the Payment of the Issue Fee, provided a transmittal cover sheet for transmittal of the documents, submitted the formal documents with a transmittal sheet to the draftsman, authorized payment of the issue fee in a separate document, and included a return postcard identifying all of these documents.
- 3) All documents described in paragraph 2) above were mailed with a certification of mailing under 37 C.F.R. 1.8 with a mailing date of October 24, 2003..
- 4) The return postcard was returned to Attorney for Applicants with a date of receipt in the U.S. Patent and Trademark Office of October 27, 2003, which date is consistent with the mailing date of October 24, 2003, as October 25 and 26 were a Saturday and a Sunday, respectively, when the US Patent and Trademark Office was closed.

5) On December 15, 2003, the U.S. Patent and Trademark Office mailed a Notice of Abandonment on the Application, indicating that Applicant failed to file new corrected drawings on or before paying the required Issue Fee.

6) As the documents included with this Petition clearly shows that all formalities with the inadvertent exception of the formal drawings for this Application were timely performed by Attorney for Applicants and timely received by the U.S. Patent and Trademark Office, the Abandonment of this Application is clearly in error, was inadvertent and/or unintentional, and should be accepted at this time.

8) Applicants, through their Attorney of Record, hereby petition to have the Application issued as a U.S. Patent, and to have the Abandonment withdrawn.

9) The fee required for a petition to revive an unintentionally abandoned application under 1.17(m), the amount set forth of \$665.00 (small entity applies), is hereby authorized to be withdrawn from Attorney's Deposit Account No. 50-1391.

The required reply in this application, in addition to paying the Issue fee, was submitting new corrected drawings, which are respectfully submitted at this time. An Amendment and Response are also being respectfully submitted at this time. As the corrected drawings have now been submitted, the Application should be re-opened.

Applicants hereby petition to revive the application due to the fact that the delay in filing the response to the Office Action causing by the abandonment of the application was unintentional and/or inadvertent, and was the sole responsibility of the U.S. Patent and Trademark Office.

The contact person is invited to telephone Applicant's attorney (952) 832-9090 if necessary. If necessary please charge any additional fees to Deposit Account No. 50-1391 for the petition for revive unintentional abandonment under 37 CFR 1.137(b).

Respectfully submitted,

EDWARD W. STARK
